PLEASE DO NOT BRING SHARPIES! We are not allowing students to use sharpies in class unless a teacher gives permission to do so, and if a teacher does allow the use of them, he or she will provide the sharpies for students.

Students are responsible for the condition of their books and minimal wear and tear will be allowed each year. Students who have chosen to ensure their books have a strong paper cover and who use their lockers have proven to keep their books in better condition than those who don't keep covers on their books and use the hallways to store their items. Please gather brown paper bags in order to help cover your children's books.
